Katakuri's Purple Hair

Chapter Summary

Another old pic I found when I was digging up some of my old art for something else.

I drew this after Katakuri first appeared in the anime and we found out his hair is purple.
(After just assuming it was black because he'd never been shown in color in the manga.)

**ngl, I considered dyeing it black again.
But Mama got upset about it last time, so...**

Qrow again

Chapter Summary

Another old bad doodle of Qrow in bird form.

End Notes

Due to the tag limit and also my own desire not to be annoying, any more of my bad art will be posted in collections that are separated by fandom.
